USA Volleyball (USAV) is the National Governing Body (NGB) for volleyball at all levels in the United States and is the only organization so recognized by the United States Olympic Committee (USOC) and the Federation International de Volleyball (FIVB) for both indoor and beach volleyball. USAV, a non-profit, non-government supported organization, sets the standards at all levels from the National Teams to the youngest and oldest age groups in indoor, beach, grass and Paralympic disciplines for both genders. USAV hosts National Championships for 12 & under to 75 & over aged player - for this is truly a lifetime sport. Contact USAV if you are interested in Playing, Coaching, Officiating, Parent Education, High Performance training or volunteering. No other organization is so totally invested in creating volleyball as a lifetime sport from top to bottom. USA Volleyball has a full-time National Office staff, along with dedicated staff and volunteers at all 40 of its Regional Offices (RVAs) and works with Affiliated Organizations such as the YMCA and the National High School Federation. The National Office and Regional Offices are devoted to providing standardized governance and programming to grow the game of volleyball.
