III. Post Registration Information

USAV registrations follow the FIVB Sports Regulations, which can be found at: [Tools \(fivb.com\)](https://www.fivb.com).

Failure by athletes to familiarize themselves with the FIVB Sports Regulations is **NOT** the responsibility of USAV. Some key pieces of information from the sports regulations are as follows:

- a. Registration is not a guarantee that you are in the specified tournament. The entry list is done by FIVB points.
- b. The confirmed entry list is scheduled to come out at -28 days from the event start date. At this point, teams will know if there are in the main draw, qualifier, or reserve list.
- c. Once teams are in the tournament, they will be required to submit all necessary paperwork to Amber Scott (amber.scott@usav.org) as requested. Failure to do so may result in not being able to attend the event and facing withdrawal fines and/or sanctions from the FIVB.
- d. A team can withdraw any time before 21 days before an event with no penalty.
- e. After 21 days before an event, teams will need a supporting medical certificate and proof of flight purchase to withdrawal with no penalty. Starting at 5 days before the event, a team will be fined regardless of their reasoning for a withdrawal, force majeure reasons excluded.
- f. All withdrawal requests must be submitted by emailing sean.scott@usav.org:
 - i. All parties involved in the withdrawal request must submit such request via email. For example, if a team would like to withdraw from an event, both athletes must email stating they would like to withdraw. If the withdrawal involves a player substitution, then all three players (the withdrawing player, substituting player and continuing player) must contact USAV via email, stating their plans. Due to time zone differences and Colorado Springs Headquarters signing off on all withdrawals, athletes are encouraged to submit withdrawals ASAP and at the very latest, 3 days before the FIVB deadline to allow for appropriate time to process the withdrawal, thus avoiding any fines and/or sanctions. Withdrawal requests after 3 days before the event cannot be guaranteed to get in on time and the team/athlete will be held responsible for any fines and/or sanctions. USAV will work with athletes in force majeure situations to get the withdrawal request in on time.

IV. Travel Information:

- a. Athletes and coaches are responsible for booking their own travel to the event.
- b. Event Specific Regulations will be released with the confirmed list and provide information such as the arrival date, main draw hotel, airport pick-up options, etc.
- c. Generally, athletes in the main draw will receive lodging and meals from the night before the tournament through the night they are eliminated. Athletes who qualify into the main draw will receive lodging and meals from night before the main draw through the night they are eliminated.
- d. USAV can submit coaching accreditation requests for those teams who registered their coach with USAV. Coaches must have the following completed:
 - i. USAV Membership
 - ii. Background Screen

- iii. Current USOC SafeSport certificate
 - iv. Current IMPACT certification
 - v. FIVB Prevention of Manipulation course ([FIVB Prevention of Competition Manipulation Course](#))
- e. Athletes can earn travel stipends for the following events:
- i. For FIVB Elite 16, Challenge, World Tour Final and Senior World Championship outside the United States provided the athlete meets the following minimum performance standard:
 - Is a current BNT athlete as defined in Section IV of the current BNP Handbook OR finish 5th or better

AND

 - Finish in the top four USA teams per gender. Please note, USAV will only fund a maximum of Four (4) teams per gender per specified event.
 - ii. There will be no travel support for FIVB Future events
